

PHILIPPINE DEVELOPMENT FORUM

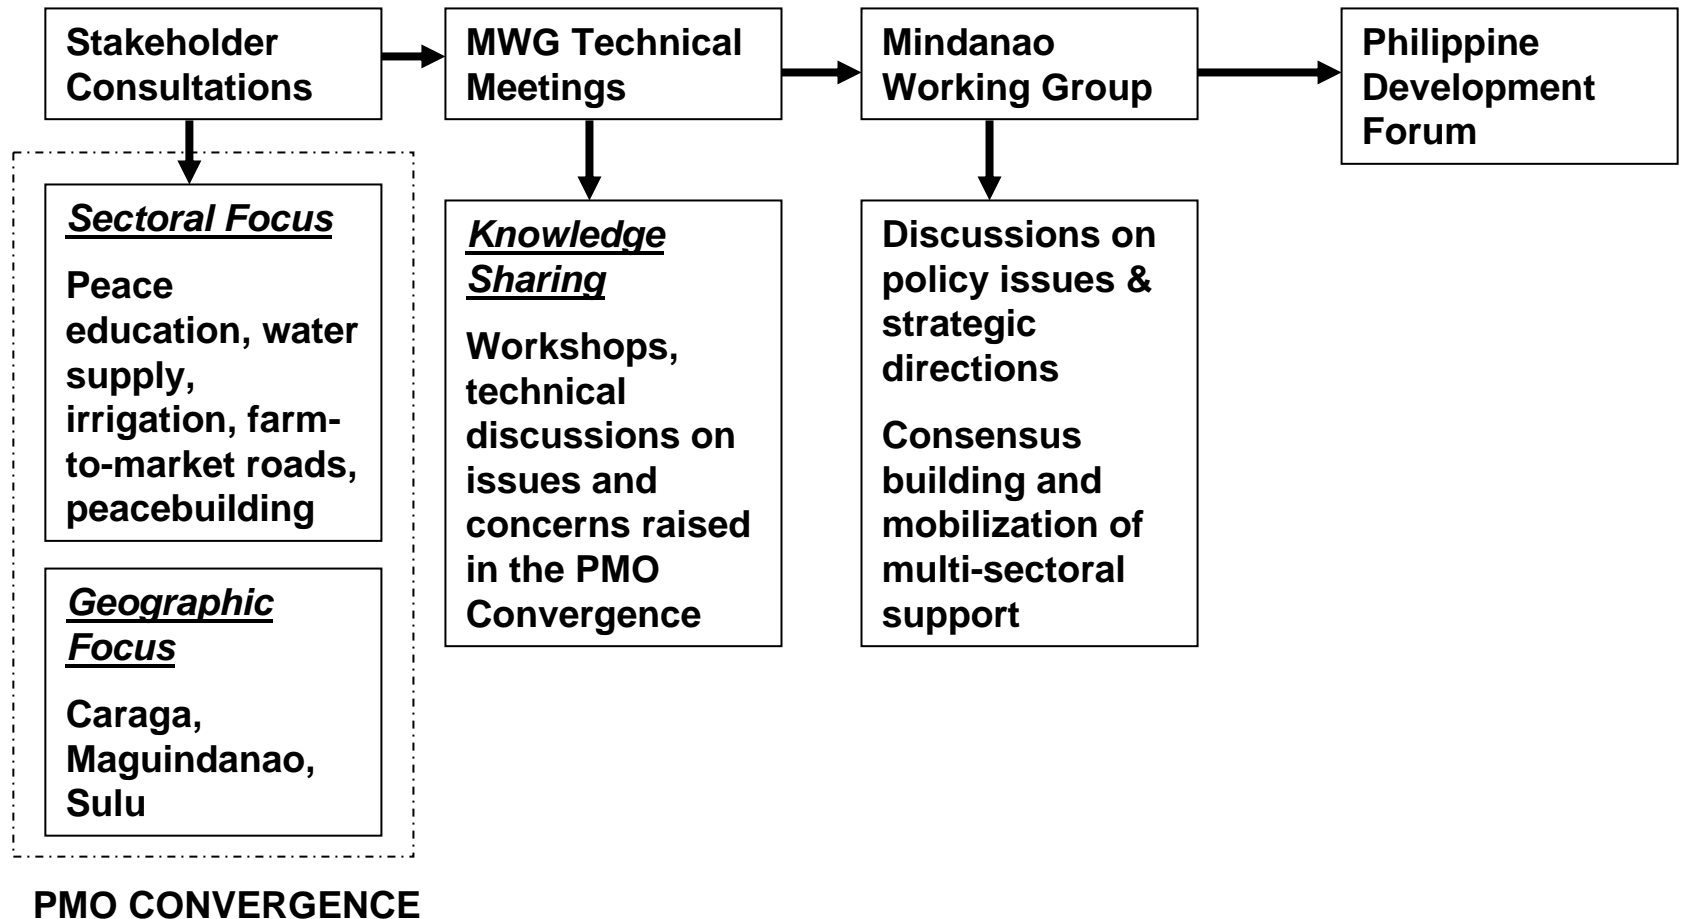

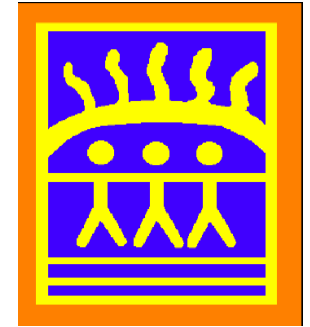

Updates on the 2007 Action Agenda

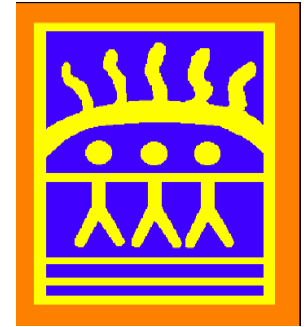

Mindanao Working Group

March 2008

Coordination Mechanism

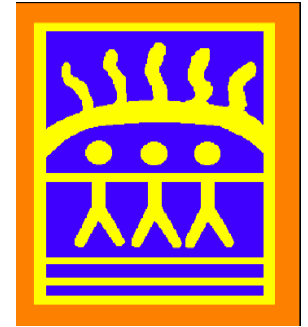

Operational Strategies

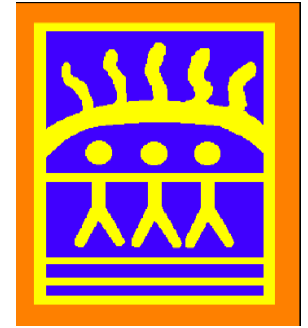

- Strengthening MWG Mechanisms
 - Technical Meetings on special topics
 - Capacity development of MEDCo
- Advocacy and partnership building
 - Participation in the annual PDFs
 - Multi-sectoral support for the peace process
- Aid coordination and effectiveness
 - Monitoring and evaluation framework for ODA
 - PMO Convergence Mechanisms
 - GIS-based data on Mindanao

2006 PDF Action Agenda

- Key accomplishments:
 - Mindanao Trust Fund was created and started implementation of programs in conflict-affected areas
 - Institutional strengthening of MEDCo for aid coordination and ODA database development
 - Technical assistance for M&E Framework for peace and development
 - Participation of CSO “peace advocates” in MWG

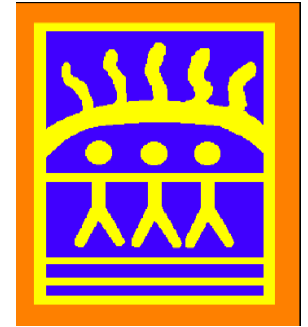

2007 PDF Action Agenda

Affirm government commitment to the peace process

- An executive session with positive outcomes was held between GRP and MILF peace panels on Oct. 22, 2007 to resolve impasse
- Security for field activities through effective ceasefire mechanisms with support from different stakeholder groups and international partners

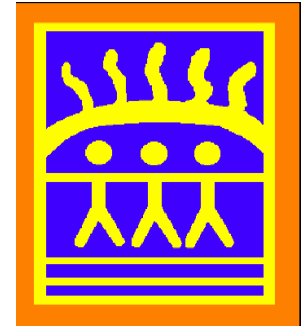

2007 PDF Action Agenda

Set aside a national fund for development needs of conflict-affected areas

- OPAPP initiated preparatory work for creation of fund channeling mechanism with NEDA guidance
- Initial discussions on the likely scope and institutional arrangements for MTF-RDP Phase II (after the peace treaty)

2007 PDF Action Agenda

Increase LGU accountability for local peace-building

- PMO Convergence on Peace and Development for Mindanao-based implementing units share lessons learned and good practices in peace and development
